# Team America Rocketry Challenge

**Fun. Challenging. Rewarding. The chance to compete against the best. If you have the drive and determination to succeed, we have an exciting opportunity for you.**

The Team America Rocketry Challenge is a national model rocket competition for U.S. high school and middle school students. We challenge you to design, build, and fly a model rocket carrying two raw eggs as close as possible to a specific altitude. One hundred of the best teams will compete in a fly-off at Great Meadow, The Plains, Virginia, in May 2004.

The winning student teams will share a total prize pool worth over **\$50,000!**
